Re: Incident Resolution Notice (IRN) 2012-005

In an effort to communicate better with the campus community about public safety issues, we are pleased to provide the following Incident Resolution Notice.

Notices of this nature detail instances in which DPS and/or LAPD have been able to bring a resolution to reported illegal acts affecting our community members. We look forward to providing you with more updates of this nature.

Date: February 26, 2012, approximately 9:45 a.m.

Location: 1000 Block of Childs Way (On-Campus)

Description: The complainant reported that he was confronted by a suspect as he was leaving the location. The suspect pushed him to the ground and removed his property. The suspect fled the location with the individual's property in an unknown direction.

Disposition: During the follow up investigation of the reported incident by our DPS investigators along with LAPD, it was determined that the individual involved had falsely reported the robbery. The individual admitted that he actually lost his property and it was not stolen.

Sincerely,

USC Department of Public Safety
