Re: Incident Resolution Notice (IRN) 2012-006

In an effort to communicate better with the campus community about public safety issues, we are pleased to provide the following Incident Resolution Notice.

Notices of this nature detail instances in which DPS and/or LAPD have been able to bring a resolution to reported illegal acts affecting our community members. We look forward to providing you with more updates of this nature.

Date: March 1, 2012, 10:30 a.m.  
Location: 900 Block of 37th Place (On Campus)  

Description: A student reported that he saw an individual exit his residence after removing his property and then ran away. He immediately called the DPS's emergency number to report the incident and provided a description of the individual and his last known direction of travel. A DPS officer observed an individual leaving the area in proximity to the location. He also matched the description of a theft suspect believed to have involved in similar crimes within the USC area. DPS officers detained the suspect and conducted a field show-up where the witness positively identified the suspect.

Disposition: The suspect was arrested and transported to LAPD Southwest police station for booking.

Sincerely,

USC Department of Public Safety
