Re: Incident Resolution Notice (IRN) 2013-001

In an effort to communicate with the campus community about public safety issues, we are pleased to provide the following Incident Resolution Notice.

Notices of this nature detail instances in which DPS and/or LAPD have been able to bring a resolution to reported illegal acts affecting our community members. We look forward to providing you with more updates of this nature.

Incident: Residential Burglary  
Date: January 26, 2013 – Between 2:00 AM to 7:45 AM  
Location: Elisabeth von Kleinsmids Memorial Residence Hall (EVK) and North Residential College (NRC)

Description: On January 26, 2013, between 2:00 AM and 7:45 AM, a student dorm room within EVK and two student dorm rooms in NRC were entered by a suspect who stole three laptop computers, two cellular phones and miscellaneous jewelry and credit cards. All three rooms had been left unlocked by the student victims. USCDPS was notified later in the morning and initiated the investigation.

Disposition: Using laptop and cell phone tracking technology, USCDPS officers were alerted to a possible location of the items in a separate dorm room within EVK. Upon further investigation, USCDPS detectives located all of the stolen property from the three rooms burglarized and the suspect who was also inside the dorm room. The suspect was not a USC student but was an invited guest of a USC student.

The suspect was arrested by USCDPS officers and booked at the LAPD 77th Street Police Station. All of the stolen property will be returned to the victims. This arrest will clear all three burglaries.

Students are reminded that protecting themselves and their property is a shared responsibility. Students should always lock their doors when going to bed and when leaving, and, be mindful of their invited guests.

Sincerely,

USC Department of Public Safety
