Re: Incident Resolution Notice (IRN) 2013-002

In an effort to communicate with the campus community about public safety, we are pleased to provide the following Incident Resolution Notice.

Notices of this nature detail instances in which DPS and/or LAPD have been able to bring a resolution to reported illegal acts affecting our community members. We look forward to providing you with more updates of this nature.

**Incident:** Residential Burglary  
**Date:** May 28, 2013 – 6:36 AM  
**Location:** 1000 Block of West 28th Street (Off-Campus)

**Description:** On May 28, 2013, at 6:36 AM, the complainant (USC student) reported that she was awakened by a suspect who entered her residence through an open window. The suspect fled from the location without taking any property after being confronted by the complainant.

**Disposition:** Using closed circuit television cameras (CCTV), USC DPS officers were able to capture surveillance video of a possible suspect leaving the location. Officers recognized the suspect from prior contacts as a local transient who frequents the USC area. On June 4, 2013 at 6:30 AM, USC DPS officers arrested the suspect who was riding a stolen bicycle and transported him to LAPD Southwest Station. Detectives interviewed the suspect and gathered enough information to book the suspect for the residential burglary.

The suspect was transported by USCDPS officers and booked at the LAPD 77th Street Police Station. The stolen bicycle was returned to the victim. This arrest will solve a bike theft and a residential burglary.

Students are reminded that protecting themselves and their property is a shared responsibility. Remember, “Lock it, Hide it, Keep it”.

Sincerely,

USC Department of Public Safety
