Re: Incident Resolution Notice (IRN) 2013-003

In an effort to communicate with the campus community about public safety issues, we are pleased to provide the following Incident Resolution Notice.

Notices of this nature detail instances in which DPS and/or LAPD have been able to bring a resolution to reported illegal acts affecting our community members. We look forward to providing you with more updates of this nature.

**Incident:** Robbery  
**Date:** July 17, 2013 – Approximately 5 AM  
**Location:** 1200 Block 36th Street

**Description:** On July 17, 2013 at approximately 5 AM, a student reported that while walking along 36th Street he was pushed down to the ground from behind and robbed of the contents of his wallet by two males.

**Disposition:** After investigative interviews were conducted by both DPS and LAPD detectives, the student admitted that he had fabricated the entire incident. This crime is **unfounded**.

Students are reminded that protecting themselves and their property is a shared responsibility. Students should never walk alone off campus after dark or openly display their valuables. Students should also take advantage of the university’s various transportation services.

Sincerely,

USC Department of Public Safety
